

Brand Couture

Detailed Description:

Our Branding Couture package is designed to transform your brand into a captivating and unforgettable entity. With a comprehensive range of elements and industry-specific packages, you'll have everything you need to make a lasting impact in your market. Let's explore the benefits of this irresistible package:

What You'll Get, Base Elements Included:

1. Consultation

Receive expert guidance and insights to shape a brand strategy tailored to your unique vision and goals.

2. Logo Design

Choose from three design options and collaborate through two rounds of edits for a logo that represents your brand's essence flawlessly.

3. Identity Elements

Establish a cohesive visual language with carefully curated fonts, color palettes, patterns, and more that reflect your brand's personality.

4. Identity Icons or Illustrations

Enhance your brand story with a set of icons or illustrations that breathe life into your messaging and captivate your audience.

5. Stationery

Make a professional impression with meticulously designed business cards, letterheads, envelopes, and corporate folders.

6. Brand Style Guide

Ensure consistency and maintain your brand's integrity across all platforms with a comprehensive guide spanning up to 12 pages.

7. Social Media Kit

Dominate the digital landscape with attention-grabbing profile and cover images, pre-designed post templates, and a targeted ad campaign for platforms of your choice.
